## Alta Alpina Spring Membership Party

Robert Braun, Membership Coordinator

**Saturday, April 12, 2014 Elks Lodge, Gardnerville Ranchos, 5PM**

It is that time of year again! SPRING, and the annual Alta Alpina Spring Membership Party is the official kick-off of the cycling season in the Tahoe-Carson-Gardnerville area. This year the party is again at the Elks Lodge on Kimmerling Road in the Gardnerville Ranchos, 1.5 miles east of Hwy 88.

**PLEASE NOTE THE NEW DAY AND TIME FOR 2014:** Doors open at 5:00 pm with plenty of food and great people to meet. Agenda starts at 6:00.

Be sure to bring your slightly used gear to sell or trade/donate at the Sell/Trade table. Bring any bike-related items to give away or sell. Bike stuff left behind at the end of the night will go to the junior team or ROP.

You can join the club or renew your membership at the door. If you were a member in 2013 and your contact information hasn't changed, we just need to collect your 2014 membership fees—\$25 for an individual, \$40 for a family, and \$10 for students. If your email address or home address has changed go to the club website to update your information. Know any friends or neighbors just getting into cycling? Bring them along and we'll sign them up at the door! Please try to carpool (or ride your bike) to the new Elks Lodge.

See you there!

## Bike & Stuff Sell • Trade

Bring your bike related stuff for sale, or give away to other AACC members. You will have the opportunity to sell, buy, give away, or pick up bike related items.

## Presidential Posting: "The Good Ole Days"

Chris Rhiner, President

Well Spring is definitely in the air and a few "Alta Alpina" members were spotted at the Pardee Party organized ride in Lone, California. I even saw one "Challenge" jersey on a gentleman who wore it proudly for doing 150 miles a year or 2 ago. With the restructuring of our finances these past few years we tend to see fewer club jerseys out on our roads than we used to. I am guilty of this too. Even this weekend as I chose to wear the challenge jersey instead of the club and found that I was not recognizable by fellow club members! I don't know what my point is except that I think I have more fun when some of my "Homies" say, "hello," in these overwhelming crowds of 2500+ riders. So if you have a club kit, get it out and wear it or get involved in the next design process and show your club spirit. We still need some ideas as to how to create the enthusiasm to show up to organized rides in our club kit without breaking the bank and bribing you all. But that may be what its going to take. So stay tuned and don't put the yellow and blue jersey or the red and orange one at the bottom of the closet.

If you aren't familiar with our ways of the past, we had a pretty active group of racers who wore the kit religiously at all races and our century riders were treated the same with a generous reimbursement program. Many moons ago... we could pay race fees or registration fees for the members that wore their club spirit. We need a new program or just some team spirit! See you all soon.

## Thursday Evening Road Races - Everybody Welcome!

Jennie Hamiter, Member

The Alta Alpina Twilight Series Road Races start Thursday, April 17th. Everyone is welcome and encouraged to enter these races - you don't have to consider yourself a racer to join us.

But why would you want to? The answers are numerous: you'll push yourself harder than you ever would on your own, you'll be motivated to get in better shape for your next race, you'll make new friends, and you'll have fun doing it. Points are tallied for each of 17 races so that winners can be awarded for the overall 2014 series (but many of us just race when we can without stressing about the series points).

The races have four categories, A through D, where A's are the fastest. You choose your category, and depending on how your first race goes you can move up or down accordingly. It's best to make your first race a time trial to get a good idea of your category - which is why the first race of the year is a time trial, with no points going toward the overall series points. Men and women and all age groups race together, so once you find your group you'll be racing people roughly your same speed.

The race schedule is in the newsletter—tape a copy to your refrigerator! It's also available online at:

<http://www.altaalpina.org/clubracesroad/>

So if you haven't raced before or if you haven't raced recently, check out the 2014 schedule and start showing up for races. I hope to see you on the April 17th for the Fredricksburg Time Trial!

## 2014 Alta Alpina Road Race Season

Di Bolton, Road Race Director

Hi Race Fans!!!

We are gearing up and looking forward to another action packed season for 2014!

Remember there is a place for everyone to race!! I Hope to see all the regular faces (missed you all) and a lot of new ones at the races (looking forward to meeting you)!! Encourage your family members and friends to come out to cheer.

### Volunteering

Volunteers are greatly appreciated and needed to help at the finishes, especially the Crits and TT's; they can get kind of hectic. Thanks in advance to my helpers!!!

### 2014 Race Fees

With the increase in the price of insurance and just about everything else, I need to raise the race fees this year to \$10 for Alta Alpina Members and \$15 for Non-Members. For racers under 18 the fee will be \$5, unless you are an *ACTIVE* member of the AACC JR. Team. I appreciate your understanding in this.

### Punch Cards

To save having to bring cash every week, I will have the punch cards again this year.

- For AACC Members it will be 8 races for \$80, \$160 for the entire season (the last race is free if you purchase the entire season pass).
- For Non-Members it will be 8 races for \$120 and season pass \$240 (the last race is free for the season pass).

### Junior Series

We will be running a "Junior Series" again this year. Juniors will race with the D's (unless otherwise designated) and will have their own points. This will take the younger kids out of the race for points that the

adults will be vying for and give them their own competition amongst their age group and chance for prizes. I do encourage *ALL* Juniors (18 and younger) to join and participate on the AACC Junior Team (this will also give you free race entry). The objective of the Alta Alpina Junior Team is to provide an avenue for junior riders, with an introduction to bicycling with an emphasis on safety and nutrition and much more.

### Race Waivers

All racers please bring a filled out a race waiver to your first race; this will give me the emergency contact info on site for the season and will save time at registration. I will need this even if you are an AACC member. There is a link to the US Cycling site on the Road Race page of AACC to download the waiver form.

If you are planning on bringing your membership forms and fees to the races and/or are planning on buying race passes or just paying your race fees please make *SEPARATE* checks for membership and race fees, this helps with the accounting. All checks should be made to AACC.

### First Race is April 17

Our first race is Thursday April 17th we will be starting at Fredericksburg and Fairview Lane for the season Prologue. The following week we will be at Diamond Valley for a short course instead of a regular course due to the cold and it still gets dark too early for a regular course.

See our website at [www.AltaAlpina.org](http://www.AltaAlpina.org) for directions to other race venues. Schedule is subject to change, so check the website before each race. Races start promptly at 6:15 pm. Be there ready to race!

Come out and join in the fun, camaraderie, and a lot of bench racing before and after the races.

See you soon!

## 2014 Alta Alpina Challenge Staff Ride

Michael Bayer, Alta Alpina Challenge Director

The Alta Alpina Challenge is taking place on June 28, 2014. If you haven't yet marked that date on all of the calendars (paper and electronic) in your house, go ahead and do that right now. I'll wait. Thanks!

The Alta Alpina Challenge is the club's big annual fund raiser—but it's also one of the club's biggest social events and it is the event that club has become renowned for hosting each year. The club's official mission is to promote cycling in our region and this one event accomplishes our mission on many fronts. We use the funds we generate to underwrite everything that the club does including our race program and junior team. While our club was known outside the Tahoe region for our work with other events, The Alta Alpina Challenge has really put us on the map with ardent fans across the western states and riders coming from as far away as Canada, Europe, and Japan. Each year participants tell us what a big impact this event has on them. Regardless of each individual's challenge for the day (a single pass or all 8 passes) riders experience a sense of triumph when they complete this unique event.

One of the things our club is known for is our amazing volunteers—Cyclists helping Cyclists. And our volunteers have a lot of fun while making a big difference in people's lives.

But how can you volunteer on June 28 if you want to be a participant too? The answer is that we have a staff ride so that you can do both!

### Staff Ride July 19, 2014

This year's staff ride will take place on July 19. To be eligible to participate in the staff ride:

- be a member in good standing, and
- volunteer for a full day (12+ hours) on June 28 OR provide a volunteer for the full day of the staff ride.

The start, finish, and cut-off times will be the same as they are on June 28. Participants can choose any or all of the 8 passes to ride and will receive a customized cue sheet. Of course, everyone finishing all 8 passes will qualify for the 8 pass finisher jersey!

The ride will be well supported with rest stops but we probably won't have enough volunteers for roving SAG.

Tentative rest stop locations and times are:

- Base of Kingsbury 5:00am-8:30am
- Start of Blue Lakes Rd 8:00am-11:00am
- TRP Lunch 10:00am-1:00pm
- Top of Ebbetts 1:00pm-5:30pm
- Top of Monitor 2:00pm-10:00pm
- TRP Dinner 4:00pm-10:30pm

So whether you ride the metric, century, 5-pass, 8-pass, or any other combination you'll have lots of food and water.

### Sign Up Today!

If you haven't yet signed up for your volunteer job, please do so right away—bring your whole family if you can. If you simply can't be here on June 28, please consider volunteering for the staff ride, logistics work, sign making, marketing activities, or other pre-event work.

To sign up for the staff ride, make sure that your membership is up to date for 2014, sign up for your volunteer job(s) for June 28, and send me an email indicating which passes you want to ride on July 19.

For more information or to volunteer please see me at the Spring Party or write to [volunteers@altaalpina.org](mailto:volunteers@altaalpina.org)

## Bicycle and Pedestrian “Share the Road” Special License Plate May Soon Be Coming To Nevada!

Tim Rowe, Bicycle Advocacy

The Nevada Bicycle Advisory Board, and since 2011, the Nevada Bicycle and Pedestrian Advisory Board (NBPAB), has had an application in for a ‘Share the Road’ special license plate since 2007.
