AACC Weekend Ride Schedule—September

David Scarborough, Weekend Ride Coordinator

We have a full schedule for weekends in September but we are still seeking ride leaders to post more rides in the 20-30 mile range.

Saturday, September 9, 2017 — Bodie via the Road Less Travelled

This is a tough 65 mile ride on gravel and jeep roads, with roughly 4000 feet of climbing, suitable for a gravel bike with 40mm tires or a mountain bike. Meet at the Gardnerville Starbucks to carpool at 7:45am. Ride start location is just off of NV Highway 338 on NF-028. NF-028 is the dirt road that goes from the Sweetwater Pass area to Hawthorne. Be ready to roll at 9:15am. The ride starts along the East Walker River on NF-028, which is the gravel road that heads towards Hawthorne. We will take a very scenic dirt road up to Bode, and return on the Bodie-Masonic dirt road, with views of Potato Peak a possibility. Please let Jennie (jenniehamiter@mac.com) know if you plan on riding. This is an AACC weekend ride, so snacks and drinks afterwards.

Saturday, September 9, 2017 — Suicide Awareness Ride

Each September, family and friends gather in the recognition of suicide prevention week. Nevada ranks number one in the nation for suicides. Suicide is among the leading cause of death among 15 to 24 year olds. This event, organized by the Suicide Prevention Network, is to raise awareness of and help prevent suicides. It's a 15 mile ride from Heritage Park in Gardnerville starting at 9am. The cost is \$20 and includes a t shirt and meal. For more information or to register go to spnawareness.org

Sunday, September 10, 2017 — Tour de Tahoe

Support fellow Alta Alpina member and past VP, Curtis Fong and his popular late summer ride around Lake Tahoe. Enjoy the spectacular scenery, rolling hills, and some big climbs. The 72 mile ride features 4024 feet, of climbing. The start, finish, and after ride party is at the Hard Rock Casino. For more see: Bikethewest.com

Friday, September 15, 2017 — Silver State 508

The Silver State 508 starts and finishes in Reno, NV and crosses northern Nevada on Hwy 50. This 508-mile bicycle race features mountain climbs, stark desert scenery, desolate roads, and is one of the toughest endurance challenges available. For more information see: www.the508.net

Saturday, September 16, 2017 — Pack Saddle Pass

This 70 mile ride goes up and over Echo Summit on Johnson Pass then uses a short stretch of Hwy 50 to Strawberry. From there we ride forest service roads to Mormon Immigrant and then return via highway 88 and old Luther Pass with a BBQ afterwards. Please RSVP to Davescar30@gmail.com for Start/Finish. Need to know if you are just riding or going to hang around for the BBQ. There are long distances with no services available. We'll have snacks at the end, but be sure to bring at least two water bottles and some money for the store at Kit Carson.

Sunday, September 17, 2017 — Edible Peddle

The annual Edible Pedal will be occurring on September 17th this year. Options from 10 Miles to 150K. Starts at Bowers Mansion. For more information see: ediblepedal100.org.

Sunday, September 18, 2017 — Tahoe City to Cisco Grove

Meet in Tahoe City in the parking area next to the river adjacent to Transit Center. Be ready to ride at 8:00am. We'll ride out to Truckee and have our first stop at The Outlets/Paco's on Donner Pass Road. Those who want a shorter ride can meet us there between 9:00am and 9:15am. We'll then ride up and over the summit on Highway 40 (Old Donner Pass Rd.) and then join the I-80 frontage road down to Cisco Grove and return to Tahoe City by the same route for a total of 70 miles (50 miles for those starting from Paco's).

Saturday, September 24, 2017 — Highway Clean-up

Meet at Turtle Rock Park at 8:00am for a quick highway clean-up, coffee and snacks, followed by a ride up Ebbetts or Monitor (plan for about 40 miles).

Saturday, October 7, 2017 — Tim Rowe Memorial Sweetwater Fall Ride

The annual Tim Rowe Memorial Sweetwater Fall Ride marks the end of our weekend ride program for the season. We depart from the parking lot of CG Bar's in Wellington at 9:15am. To carpool to the start meet before 8:30 am in Lampe Park in Gardnerville. We ride from Wellington to Bridgeport over Sweetwater Pass and back. There will be a rest stop with snacks and drinks at the top of Sweetwater Pass in both directions but we recommend bring money for food in Bridgeport. At the end of the ride we'll celebrate the end of the season with pizza for everyone. The full distance is about 84 miles.

Presidential Posting

Chris Rhiner, President

Greetings fellow cyclists! As Fall approaches rapidly I hope you had a great summer, maybe you even rode during the eclipse? Our last few weekend rides are posted on the "Ride Board" and our end of season party plans are in progress.

Due to our major and virtually only source of extra income not being available this year (Challenge cancelled for 2017) we will change the venue for our October/November Party. Details to be announced!

If you would like to serve on the Board and be a part of the decision making processes for the cycling club this will be your opportunity as we will have our elections. Many of us have served for 4+ years and as we all know it takes more than one person to run the show! Thank you to all who have helped in all the various ways over these past few years. Also if you haven't had the opportunity to see the fashion club kit or prefer the retro versions both are available for viewing/purchase at the end of our Fall Party. We place orders periodically for the "black fashion kit" and the retro is always available on the website. Jim Sadilek has been busy with Lori P. updating our clothing inventory.

Also, I would like to express on behalf of the club, our condolences to Jim Sadilek on the loss of his wife Doreen of almost 60 years. May the next years bring as much or more joy than can be expected or deserved! We love you Jim!

The Alta Alpina Composite-Nevada Interscholastic Cycling League team had a strong showing for their first race of the season on August 27th at North Tahoe High School. The team, which is just in its second year, is made up of 6th-12th graders from both the Carson Valley and South Lake Tahoe area.

For 11 of the 12 team members, this was their first race ever, and all were able to complete the course. Two riders made it to the podium – Sawyer Villanueva took 1st in the Middle School Girls division, and Justin Kinser took 2nd in the JV Boys division.

If anyone is still interested in joining the team, there is still plenty of racing season left. If racing is not of interest, students can still come out and join the group rides without having to race. The group rides are geared to include riders of all skill levels. Rides are scheduled 2-3 times per week at various Carson Valley or South Lake Tahoe trails.

For more information, please visit our Facebook page under Alta Alpina Composite-Nevada Interscholastic Cycling team, or email us at altaalpinanica@gmail.com.
